City Council Discusses Helping Install Sewer Line With Owners

The Elba City Council met Tuesday night with all members present. The meeting was a relatively short one and mostly routine items were discussed.

Miss Elizabeth Rowe asked the council for help in installing a sewer line in Woodland Acres Estate (just off the Troy Highway near the Rec Center). She noted that the streets were paved and she wanted to start selling the 23 lots in the subdivision. The Council discussed the project with her at length and tabled any action until the engineers on the project visited Elba and discussed the matter with city officials.

L. F. Inman asked the Council for help in getting a full night's sleep. Inman noted that it didn't bother him for the garbage trucks to wake him at 3:30 on weekdays because he liked to get to the hospital early anyway, but that on Saturday and Sunday the trucks working behind the Bear for 45 minutes ruined his sleep. Mayor Folsom told Inman and the Council that the city clerk was working with the garbage crews to change the routes to get the garbage at the supermarkets after seven in the morning.

Brunson, Jr., and Charles Kennett. The city employees' health insurance plan was again discussed. The Council again left the decision of whether or not to change, up to the city clerk, Mayor and Mrs. Frances Waldon.

The city voted to give employees a gift box of meat given a ten dollar bonus. Last year employees were given a ham, then shoulders. The cost of the box will be in the \$10 range, keeping the expenditure within the budget. Fire Department, Rescue Squad nor elected city officials are not included in the Christmas gifts. Normally, the Water and Electric Board gives the same Christmas gifts as the City does.

Mayor Folsom told the Council that the bills were in order and all had purchase orders except for regular monthly bills. The meeting ended with the councilmen being presented copies of the audit from the previous year. The auditors will be at the next council meeting to officially conclude the audit and explain any parts to the councilmen.

A quick glance at the audit report shows Elba received \$67,112.51 in general fund revenue and operated in the black with \$51,000 to retire bonded debts. The bonded indebtedness of the city continues to drop according to the report. Two bond issues will pay off in the next few years, giving some relief to the tight money situation at City Hall.

A two-car accident early Thursday morning resulted in damage to two cars, one storage house, and put one person in the hospital. Injured was James Frazier, age 29, who was taken to the hospital by the Elba Rescue Squad. Frazier was driver of one of the vehicles, and driver of the other was Belinda Bogan.

Lambert, of Rt. 2, Troy. She was uninjured in the accident. Frazier was driving toward Elba on the Taylor Mill Road. Lambert was driving on Adkinson St. Both drivers say the light was green on their side, according to the police report. Mrs. Lambert said she stopped and then started up when the light changed. Frazier said his light was green and he tried to avoid the collision. Frazier's car shot through the intersection and into the storage building across the street.

Damage to the Frazier car was estimated at \$800; damage to the Lambert car was estimated at \$600 and \$300 to the storage house.

A zoning Board of Adjustments was appointed by the Council. They are W. T. Harris, Mrs. Ed Turner, Francis Brunson, A. C. Robbery is Attempted At Bait Shop. Elba police responded to a report Sunday afternoon that an attempted robbery had taken place. According to the report, Mr. John T. Campbell, owner of Campbell's Bait Shop, was hit over the head twice with a soft drink bottle by an unknown black man who came into his place of business and purchased some fishing supplies. Campbell told officers the man and a friend had visited his business the day before and made some purchases. The assailant returned Sunday afternoon, apparently alone, and paid for some additional supplies. When Mr. Campbell showed the bandages to the man some bait, he was hit with the drink bottle. Campbell turned around and was hit again. At this time he reached for his shotgun, but could not find it. He called for his wife to bring it from the house. His assailant then turned and ran from the store, jumped into his car and left, traveling south down the Samson Highway. Mr. Campbell was taken to the Elba General Hospital by the Elba Rescue Squad.

Oscar Vaughan, Jr., Lister Brunson and Paul Windham were appointed to work with Ft. Rucker officials in efforts to get Army help in extending the North-South runways at the Elba airport.

Flu Shot Make-Up Set. The Coffee County Health Department will hold make-up clinics for the Swine Flu immunizations. These clinics will be held at the Coffee County Health Department in Enterprise on December 14, and in Elba on December 15. Times for the clinics will be from 9:00 a.m. until 4:00 p.m.

Those wishing to receive the Swine Flu immunization are urged to come on the above dates. No shots will be given after these dates except for those who under 25 and will need to receive a second immunization.

Also, teachers will get their December pay on December 17 to allow them the money for Christmas shopping. Taylor reported that the application for a new lunchroom and two classrooms had been submitted and was in Atlanta. He had no information about the possibility of getting federal funding for the project.

The Board approved monies for the libraries of the three Elba schools as provided for in the budgets. The high school and elementary school will get \$1,500 each and the middle school was allotted \$1,200.

The purchase of a CB radio for use on band and football trips was approved by the Board. The Board was told that another unit was to be purchased for the use of these students also.

School Board Hears Report On Athletics

The Elba School Board met Thursday night for its regular monthly meeting. Chairman Ed Cooper presided over the meeting.

The meeting opened with a report from Principal Lamar Foley on the status of the athletic fund. Foley reported that the fund started off with \$11,116.45 in the hole and at present was \$425.22 ahead. He noted, however, that over \$5,000 in bills were unpaid and that this is the year of the big games (Enterprise, Opp and Andalusia) that bring in most of the revenue. The Board voted to borrow \$35,000 to pay current bills and authorize the chairman to borrow money to cover cash items when needed. Superintendent Elmer Taylor explained that allotted state funds do not come in as fast as the money is expended, but by the end of the year it would catch up. He said that in past years, the Board had a surplus to cover this lag, but this no longer exists.

Miss Coon Named Top Elba Beauty

Miss Sharon Coon, 16-year-old daughter of Mr. and Mrs. Louis Coon, captured the Miss Elba title last Thursday night at the annual pageant. Sharon is a blond-haired junior at Elba High School.

Runners-up were: 1st - Monica Towles; 2nd - Tammy Padgett; 3rd - Jackie Stokes; and 4th - Freida Davis. Other awards were: Miss Congeniality - Janelle Pruitt; Casual Attire - Denise Farris; and Evening Gown - Jennifer Ennis.

Entertainment was provided by Harris Temple Choir, Sharon Grimes, Kenneth Bryan, Perry Barnes, Beverly Hargrove and Lynn Hudson.

Three Mallorys In Sound Of The South Band

With a wave of his hand Ronnie Mallory of Elba can bring forth the sounds of trumpets, drums, piccolos and tubas. Not just anyone can do that, but Ronnie can because he is the drum major of Troy State University's 'Sound of the South' band. The son of Mr. and Mrs. W. C. Mallory, Ronnie is a senior music education major at TSU. He is a member of Kappa Kappa Psi national recognition band organization and the TSU Collegiate Singers. His brother Freddie on trombone and his sister Betty on clarinet are members of the band.

Open House Held At Dr. Boyce's New Clinic Sunday Afternoon

Dr. and Mrs. Boyce (left) welcome Mr. and Mrs. Walter Cox to the Sunday afternoon reception.

Refreshments were offered to the guests as they toured the new facilities located across from Elba General Hospital.

Dr. Boyce beams with pride as he shows his new clinic to a fellow physician, Dr. Carter of Fort Rucker.

Dr. and Mrs. Boyce are shown with Mrs. Boyce's parents, Rev. and Mrs. Thomas, (center) formerly of Elba.

POOR ORIGINAL

BRAINSTORMS

With Ferrin Cox

Well, the "do-gooders" have won another round in the murder case where the admitted killer has asked for the firing squad. With their help his mother got the scheduled Monday execution put off by the U.S. Supreme Court. Now the question is not if convicted Gary Gilmore should be put before the firing squad, but if it is other folks business if he declines to file a whole bunch of appeals. During all of this, a group in Alabama is fighting the entire concept of the death penalty. They would probably drop their loud noises if someone in their family would be so unfortunate as to be murdered by someone gotten out of jail by the "do-gooders."

Ye ole editor has a continuing battle with an ever enlarging waistline - which means that ye ole editor is too fat. To point out how hard it is to fight the urge to eat, Sunday, while making pictures for the paper, four different situations offered temptations to eat a little more. The food ranged from some fresh cracklings to make cracklin' bread, a full meal at a birthday dinner and the constant temptation of snacks and refreshments. All these people are expressing good intentions and we would have it no other way, but it sure is hard to say "no thank you."

The Elba merchants ask that Elba folks "Try Elba First." Last week after the full page ad on this matter appeared for the first time, we had several comments on the subject. Among those was the age old problem of parking. It would be useless to point out to these people that when shopping in the big city, they walk even further, however, it would be to the advantage of the merchants if they would park their own automobiles other than on the front street, where parking is already short. Whatever it may be, the idea of shopping at home helps the merchants immediately and the community in the long run.

Irvin L. Johnson made a comment or two this week that were very interesting to those who like to "remember when." Elba National Guard was called to active duty during the Second World War. They fired their first shot at the enemy on December 3rd, at 5:35 in the morning. Irvin L. said it was cold and wet that morning in Italy when the 733 Field Artillery opened fire on the enemy, and he knew right off he should be back in Coffee County.

City officials, county officials and school officials have filed requests for funds of the "free" money the feds are to pass out soon in the plan to pick up the economy. The sobering thing about it all is that there is ten times as many applications as there are dollars to "give." If anyone in Coffee County gets some of this money, we had better consider them lucky.

I noticed with mild amusement this week that both the Enterprise newspaper and one of the radio stations were jumping up and down about some paying contracts planned by "the old commissioners." These men are on their last few weeks of their term and have planned to let bids on some paving. This doesn't suit some folks. Probably these same people would fuss if the commissioners drew their pay and did nothing at all. My only comment is - if you are going to catch hell anyway, why not just do all the paving right around Elba, rather than so much around Enterprise? I am sure my comments will really upset my friends on the other side - Roy at the Ledger and Bernie at WRB. In fact they may even withdraw their previous comments!

The Good Neighbor is you. Belong.

THE NURSING STAFF

Get up in the morning getting ready for work. Look up and ask God to give us strength. For he knows what we have in mind. We're going to help the sick, afflicted, and the blind.

One will want this, and the other that. We let them know we're here to assist. We put them in the lobby, they look out the door. And wonder why their children don't come anymore.

They would like to go home just for awhile. To have a good look and a great big smile. They don't want to stay but an hour or two. To see the "old place" they once knew.

So come on team lets reach our goal. We're here to help these dear old souls. Then we go to work for we don't mind. We're here to help the sick, afflicted, and the blind.

Thanksgiving is over, what a beautiful day. No dark clouds over-cast the big blue skies. We had turkey, dressing and pumpkin pie. We thank the Lord didn't anyone die.

So come on girls lets all pull together. We've got to walk this hall eight full hours, but you know we don't mind. We're here to help the sick, afflicted, and the blind.

B.W.C. Observe Week Of Prayer

The members of the B.W.C. of the Elba First Baptist Church observed a week of prayer at the home of Mrs. Lottie Moon on December 6 at 7:30 a.m. The gathering was in observance of the Lottie Moon Week of Prayer.

Mrs. Whitman presented an invocation as the ladies joined hands. The dining room of Mrs. Whitman's home was decorated with a Christmas theme using green felt place mats and large red balls. The centerpiece for the table was "Praying Hands". Mrs. Whitman presented a Christmas gift to each one. The meeting was closed by

sentence prayers from each member. Pictured (l-r) Mrs. Ola B. Kendrick, Mrs. Robbie Russell, Mrs. Mollie Belle Parker, Mrs. Frances Dowberry, Mrs. Whitman, Mrs. Quinnie Whitman, Mrs. Elaine Thompson, Mrs. G.P. Miles, Mrs. Bessie Bulard and Mrs. Della Whitman.

Mrs. Louise Coppage was visited over the Thanksgiving Holidays by her daughter, Mr. and Mrs. Ray Cantrell and Carol of Shreveport, La., and her son, Mr. and Mrs. Ricky Coppage and three children, Birmingham. Also enjoying the festivities were her son Mr. and Mrs. Bennie Earl Coppage, Mike and "the Lard" Powell, and her grandson Mr. and Mrs. Randy Sasser all of Elba.

Mr. and Mrs. Eskar Taylor had the pleasure of a week-end visit from their children, Dr. and Mrs. Wayne Taylor and son, Brett, of Auburn; Mr. and Mrs. Kenneth Naper and A. Leah, and Mr. and Mrs. Charles Nelson, both of Dothan.

Elba Students Named To Dean's List

The names of 137 full-time students who maintained a B plus or better average during fall quarter at Enterprise State Junior College were placed on the Dean's List this week by Dr. Joseph D. Talmadge, dean of instruction.

Dr. Talmadge said students on the roster will receive a framable Dean's List Certificate. To qualify for the Dean's List, a student must be enrolled on a full-time basis (schedule 12 quarter hours or more), and maintain a grade-point-average of 3.50 or better on a four-point scale (4.00 is all A's).

Students from Elba who qualified are: Annie Ree Bean, Rodney H. Hamm, D. K. Smith, and Tommy G. Smith. Also those from New Brockton are: S. J. Broadstreet, Rhonda Caldwell, and Golda Kay Tindol.

Elba Native Honored In Dothan

Mildred Summersett, a salesperson at the Dothan Sears store for 1 1/2 years, was recently honored as the store's Citizen of the Year.

The award was presented by Dothan Mayor Jimmy Grant at ceremonies to honor her for contributions to the community.

Mrs. Summersett served on the F.W. Ladies Auxiliary and represents the club on the Citizens Supervisory Board. She has also worked with Multiple Sclerosis, Sheriff's Boys and Girls, Leukemia and Salvation Army fund drives.

Mrs. Summersett is a member of the F.W. Ladies Auxiliary and Beta Sigma Phi, where she is a yearbook chairman and on the hospital committee. She is also a former member of the Int'l Club Council.

On hand for the presentation were Mrs. Summersett's three children, Bobby Bryan of Montgomery, Mrs. Diane Battles of Dothan, and Lynn Summersett, a Dothan High School junior.

Mrs. Summersett is a native of Elba and is the daughter of Mrs. Lotus Hudson, Elba.

Miss Rita Marler Weds Danny DeWayne Shirah

Miss Rita Marler became the bride of Danny DeWayne Shirah on November 27, 1976, at 3 o'clock in the afternoon. The ceremony was performed by the Rev. Sam C. Shirah in the home of Mr. and Mrs. Jimmy Clayton of Dothan.

The bride is the daughter of Mr. and Mrs. Milan Marler, Elba, and parents of the groom are Mr. and Mrs. John C. Shirah, Dothan.

The bride, given in marriage by her father, wore a gown of white organza designed with a princess silhouette and chapel train. The high neckline was accented with cluny lace and ruffles. Bands of cluny and Venice lace highlighted the gown from the neckline to the hem in front and back. The bishop sleeves were edged with the same lace and ended in a cuff. The hemline ended with a lace ruffle and the bride's Juliet headpiece was of Venice lace featuring a fingertip veil of imported illusion edged with matching lace. She carried a colonial bouquet of Tallinn and white bridal roses and baby's breath.

Serving the bride as Matron of Honor was Mrs. Vikki Paulk of Dothan. Bridal attendants were Susan Holderfield, Elba, and Tara Hudson of Okeechobee, Florida. They were gowned in spice-colored jersey dresses with empire waistlines and gathered to neckline. Their bouquets were nosegays of fall flowers.

Serving his son as best man was John C. Shirah of Dothan. Usher-groomsmen were Jimmie Prichard, Eddie Dasinger and Jerry and Tommy Shirah, brothers of the groom, all of Dothan.

The wedding reception followed the ceremony at the same address.

Following a wedding trip to Callaway Gardens, the couple is residing in Dothan where both are employed.

Grandparents are Mr. and Mrs. William E. Mickle, Sr. and Mrs. William E. Mickle, Jr. of Dothan. Great-grandparents are Mrs. Lessie Mickle, Mr. and Mrs. Dewey Wilkes and Mr. and Mrs. Dick Brown, all of Elba, and Mr. and Mrs. W.G. Marler of Opp.

Those enjoying the reunion and delicious dinner were: Mrs. Bonnie Kennington, Enterprise; Mrs. and James C. Nelson and their four children, Elba; Mr. and Mrs. L.M. Nelson, Evergreen; Bina Shoney, Opp; Huey Nelson, Opp; Mr. and Mrs. C.B. Nelson, Elba; Faye Bowden, Enterprise; Margie Arnette and Tonya Arnette, Elba; Carl, Theresa, Blaise, and Tara Nelson, Andalusia; Farrell and Bobby Jo Anderson, Opp; Theresa, Iley, Elba; Harold, Ava, Natasha, Jason, De L., Chet Span, Dothan.

Mr. & Mrs. Foy English Feted At Surprise Party

On Friday, November 26, at seven in the evening, Mr. and Mrs. Foy English were fêted at a surprise party at the home of Mrs. Lester Funder. The top cake was a miniature wedding cake replica, adorned with eight tiny white doves carrying silver rings, and topped with two large silver doves. Silver candles were the only source of light as the couples sang "Happy Anniversary" to the stunned honorees.

The breakfast room table, covered with a beige lace cloth, held a crystal punch bowl encircled by white daisies and greenery. From here were served cranberry punch, cheese straws, sand tarts, mints, and finger sandwiches. Mrs. Charles Farris served the punch and Mrs. Lester Funder served the cake. Fresh cut flowers filled the unique cake fashioned by Lou in the dining room a dainty arrangement of sweetheart roses and baby's breath was centered under the window.

Miss Janet Miller Honored With Shower

Miss Janet Miller, bride-elect of Randall Gray Mulaz, was honored December 2 with a shower at the home of Mrs. Ann Whitman.

Upon entering the guests were registered by Miss Cindy Miller, sister of the bride. The registration table was covered with an antique hand crocheted cloth. A white lighted candle was centered by greenery and white sparkling doves.

Refreshments were served from a beautiful appointed table covered with an antique lace cloth. The punch bowl was framed with greenery spotted with daisies. Two antique green candleholders held burning white tapers. Punch, mints, cheese cookies and petit fours were served to the guests.

Miss Miller was lovely in a long red gown. She wore a white carnation corsage as did her mother and grandmothers. Guests were registered from seven o'clock to nine o'clock. Hostesses were Mrs. Whitman, Mrs. Margaret Miller, Mrs. Marie Lovorn, and Miss Liz Hutchinson.

Miss Miller and Mr. Mulaz will be married December 10 in Mobile, Alabama.

Miss Rita Marler Weds Danny DeWayne Shirah

Miss Rita Marler became the bride of Danny DeWayne Shirah on November 27, 1976, at 3 o'clock in the afternoon. The ceremony was performed by the Rev. Sam C. Shirah in the home of Mr. and Mrs. Jimmy Clayton of Dothan.

The bride is the daughter of Mr. and Mrs. Milan Marler, Elba, and parents of the groom are Mr. and Mrs. John C. Shirah, Dothan.

The bride, given in marriage by her father, wore a gown of white organza designed with a princess silhouette and chapel train. The high neckline was accented with cluny lace and ruffles. Bands of cluny and Venice lace highlighted the gown from the neckline to the hem in front and back. The bishop sleeves were edged with the same lace and ended in a cuff. The hemline ended with a lace ruffle and the bride's Juliet headpiece was of Venice lace featuring a fingertip veil of imported illusion edged with matching lace. She carried a colonial bouquet of Tallinn and white bridal roses and baby's breath.

Serving the bride as Matron of Honor was Mrs. Vikki Paulk of Dothan. Bridal attendants were Susan Holderfield, Elba, and Tara Hudson of Okeechobee, Florida. They were gowned in spice-colored jersey dresses with empire waistlines and gathered to neckline. Their bouquets were nosegays of fall flowers.

Serving his son as best man was John C. Shirah of Dothan. Usher-groomsmen were Jimmie Prichard, Eddie Dasinger and Jerry and Tommy Shirah, brothers of the groom, all of Dothan.

The wedding reception followed the ceremony at the same address.

Following a wedding trip to Callaway Gardens, the couple is residing in Dothan where both are employed.

BICENTENNIAL TOUR ENTERPRISE - BOSTON

Neille B. Martin

The Trailway Bus left the parking lot of the First Methodist Church with 45 passengers. Rev. and Mrs. Clifford Abbott were the curators.

The first stop was Holiday Inn, Troy, where Mrs. Gladys Cowart boarded. Sambo's on the Eastern By-Pass in Montgomery was the breakfast stop. Here Robert Flournoy, a SUPER DRIVER joined the group.

Night found us in Henderson, N.C. From Henderson our destination was Jamestown, Va. After a tour of the Festival Park we proceeded to Williamsburg. It was in this small town that pioneer leaders risked their lives and fortunes to help lay the foundation of the American political system which finally became a model of our independence. The documents written there still govern and protect Americans.

On to Richmond - the highlight here was historical St. John's Church. Here Patrick Henry delivered his famous speech that ended "give me liberty or give me death." Pocahontas was married in this famous church too.

The gates were open when we reached Mount Vernon. There were hundreds of tourists. I had the pleasure of touring this historical mansion with two lovely young ladies from Scotland. They were most impressed with America's Bicentennial.

Next came Washington, D.C. The Capitol - one of America's most beautiful and historical cities. The city of Washington is a symbol of our country's unity, history, and democratic traditions.

Some places of interest were The Library of Congress - the world's largest library. Its collection consists of more than 60 million items. The tallest structure in the city is Washington's Monument. The Lincoln Memorial, a temple-like white monument honors Abraham Lincoln. Among the cherry trees at the edge of the Tidal Basin is Jefferson's Memorial.

Not far away is the most magnificent building, the Capitol. It houses 540 rooms filled with paintings, sculptures, carvings, and every work of art along with the gorgeous furnishings. All this gives it the splendor of a museum or palace.

Nothing can be more fascinating than watching money being made in the Bureau of Engraving and Printing. The wind was brisk and cold when we reached the White House. After we were searched we had a whirlwind tour of the five rooms open to the public. We boarded the bus and were on our way to Rock Creek Park. Here were the homes of Vice-President Rockefeller and dozens of embassies of countries that have diplomatic relations with the United States.

Our stop here was Washington's National Cathedral. Its construction began in 1907 and it will be many years before it is completed. Its gothic style is most beautiful. President Wilson and Admiral Dewey are among the well known buried here.

The tour took us through Georgetown, which ranks among the nation's wealthiest places, on to Arlington Cemetery. The Memorial Amphitheater, the elaborate grave of President Kennedy and the grave of Senator Robert Kennedy with a simple white wooden cross - are popular places for tourists. Nearby stands the Marine Corps Memorial, showing servicemen raising the American flag on Iwo Jima.

From here we went by the John F. Kennedy Center for the Performing Arts, Watergate (a group of luxurious apartments and office buildings) and on to Smithsonian Complex.

The day's tour ended here - the bus was soon loaded and we were on our way to Aberdeen, Md. for the night. After an hours ride the next morning, we stopped at a truck stop cafeteria for breakfast. Super! Rather classic in a beautiful rural setting.

Here before us was Philadelphia. With a lovely guide we walked the most famous paths of history, first to the Liberty Bell and then to Independence Hall. Nearby was the Graft House, where Jefferson drafted the Declaration of Independence. Along this historical path is Christ Church Cemetery. The final resting place of many of our founding fathers. On the next day was the Franklin Post Office. All mail is handled with a facsimile designed by the first Postmaster General. Across the way is Betsy Ross's house. Her grave is near the entrance.

The dining room of Mrs. Whitman's home was decorated with a Christmas theme using green felt place mats and large red balls. The centerpiece for the table was "Praying Hands". Mrs. Whitman presented a Christmas gift to each one. The meeting was closed by sentence prayers from each member.

Pictured (l-r) Mrs. Ola B. Kendrick, Mrs. Robbie Russell, Mrs. Mollie Belle Parker, Mrs. Frances Dowberry, Mrs. Whitman, Mrs. Quinnie Whitman, Mrs. Elaine Thompson, Mrs. G.P. Miles, Mrs. Bessie Bulard and Mrs. Della Whitman.

Mr. and Mrs. Eskar Taylor had the pleasure of a week-end visit from their children, Dr. and Mrs. Wayne Taylor and son, Brett, of Auburn; Mr. and Mrs. Kenneth Naper and A. Leah, and Mr. and Mrs. Charles Nelson, both of Dothan.

Dr. Talmadge said students on the roster will receive a framable Dean's List Certificate. To qualify for the Dean's List, a student must be enrolled on a full-time basis (schedule 12 quarter hours or more), and maintain a grade-point-average of 3.50 or better on a four-point scale (4.00 is all A's).

Students from Elba who qualified are: Annie Ree Bean, Rodney H. Hamm, D. K. Smith, and Tommy G. Smith. Also those from New Brockton are: S. J. Broadstreet, Rhonda Caldwell, and Golda Kay Tindol.

Grandparents are Mr. and Mrs. William E. Mickle, Sr. and Mrs. William E. Mickle, Jr. of Dothan. Great-grandparents are Mrs. Lessie Mickle, Mr. and Mrs. Dewey Wilkes and Mr. and Mrs. Dick Brown, all of Elba, and Mr. and Mrs. W.G. Marler of Opp.

Those enjoying the reunion and delicious dinner were: Mrs. Bonnie Kennington, Enterprise; Mrs. and James C. Nelson and their four children, Elba; Mr. and Mrs. L.M. Nelson, Evergreen; Bina Shoney, Opp; Huey Nelson, Opp; Mr. and Mrs. C.B. Nelson, Elba; Faye Bowden, Enterprise; Margie Arnette and Tonya Arnette, Elba; Carl, Theresa, Blaise, and Tara Nelson, Andalusia; Farrell and Bobby Jo Anderson, Opp; Theresa, Iley, Elba; Harold, Ava, Natasha, Jason, De L., Chet Span, Dothan.

like a fancy restaurant. Yes, apple pie is tasty at \$1.25 a slice.

Up early, we headed toward New Jersey through the Holland Tunnel. Our destination was Dutch County near Lancaster, Pa. Among the lush rolling hills is Harvest Drive Farm Motel. For the evening meal - cooked Dutch style and served family style - there were four appetizers, four vegetables, four meats, three desserts, homemade rolls, butter, tea, coffee and lemonade.

The waitress were lovely Amish girls. This is a typical location for visitors who wish to witness the everyday workings of an Amish Farm and their customs dating back to the 17th century. Horse drawn vehicles dot the highways.

Young people are allowed to be married only in November. They have the privilege of marrying on Tuesday or Thursday. Have you seen the one-room schools with outside accommodations. No child is allowed to go beyond the 8th grade. The Dutch tour ended and we were on our way to Hershey's Chocolate Valley.

As the visitors enter they are given an automated ride through this huge plant. As the ride ends you are in an indoor tropical garden area featuring live Cocoa Bean trees. The snack facilities and a Chocolate Shop are near the garden. We (pushed in) and when counted.

Continuing north we were soon at Hyde Park. The family interest and the way of life are evident upon entering this historical mansion - home of the Roosevelts since early 1800. Here Franklin D. Roosevelt, the 32nd President, was born and grew to maturity. Here he brought his bride Eleanor, and here they raised their five children. It was from Hyde Park that he began his political career that stretched from New York State Senator to the White House. Hyde Park buzzed with chatter of children and conversation of distinguished guests - Kings, Queens, Prime Ministers and Ambassadors.

Their graves are in the Rose Garden. A simple white marble marker with their names, birth and death dates stands a few feet away. The sun was gone - it was brisk and cold, but a few roses held their heads up with dignity.

Not far from the garden is the Library or Museum. There are many other places of interest on the grounds. It was a long ride to Springfield, Mass. - but we made it. The Revere Dining Room was open. That \$1.45 glass of milk hit the spot!

Sunday had caught up with us. So we stopped near church time on a mountain side in Massachusetts. Mary Beth Lewis led "How Great Thou Art," and Mr. Abbott delivered a most inspiring sermon. While he was preaching there was a knock on the bus door. A young man passed, said the Alabama bus, thought it might be stranded, parked and walked some distance to offer his help. Northern hospitality!

In Boston - first a tour of Old Ironside launched in 1797. Then to the Common, on to the State House, Boston's City Hall, Ben Franklin's birthplace, Old South Meeting House (the Boston Tea Party) and the site of the first Public School in America in 1835.

We entered the gate of Granary Burying Grounds where we saw the graves of Samuel Adams, Paul Revere and Mother Goose. We visited many other places of interest but the Old North Church was last on the agenda. On the night of April 18, 1775 two lanterns hung from the belfry signaled to patriots across the Charles River that the British were on their way by sea. It was on this night Paul Revere made his famous ride.

Time had caught up with us - we were to spend the night in Waltham, Mass., so we turned south. Before I left Elba I had written two friends in Boston a note giving the name of the hotel. When we were in the dining room, in walked Hazel and Evelyn. I had the pleasure of introducing them to our group. Oh, how they loved our South Alabama drawl!

Some small snowflakes were falling next morning when we headed south through Connecticut, Rhode Island, Delaware and New York State for the metropolitan area of New York City. Here people of various races and many countries have settled and adopted a common culture. About 12 out of every 100 persons in New York were born in another country. Among these 8 million people one sees much poverty, sanitation problems, and many abandoned and decaying buildings all over the city.

The Twin Towers - the 110 story World Trade Center - the Empire State building are two popular places for tourists on Manhattan Island. Rockefeller Center Plaza, Radio City Music Hall, St. Patrick's Cathedral, Times Square, Columbia University are just a few places of interest. Central Park, the core of the city, was fascinating to view.

A highlight of the tour was observing the opening of the General Assembly of the United Nations. Of the 144 member states represented - over two thirds of the seats were empty.

The planned routine of the day ended and the group divided. Some to the Theatre, some to other places

in the bus we had some 130 lbs. of chocolates. There are some 30 attractions in Hershey World.

Our destination was Gettysburg. Here we visited the International Village, The Battlefield Tower, and Gift Shoppe. On through Pennsylvania, West Virginia the Shenandoah Valley to Charlottesville, Va. where we visited Monticello, the home of Thomas Jefferson.

After a tour of this historical estate we proceeded through Virginia to Kingsport, Tennessee for the last night. The Appalachians were most colorful as we made our way to Knoxville for lunch.

Arriving in Enterprise, having traveled some 4,000 miles through 14 states and the District of Columbia, we were most happy and thankful for the well planned, well organized, well executed Bicentennial Tour.

My hat is off to a super bus driver, a congenial group of Christians and to Dr. and Mrs. Abbott!

Yes, after a tour of this magnitude one wants to extend warmest salutations to the United States of America on its Bicentennial, and express gratitude for all those who fought for our independence and view America's future in her third century with confidence and hope.

Grandparents are Mr. and Mrs. William E. Mickle, Sr. and Mrs. William E. Mickle, Jr. of Dothan. Great-grandparents are Mrs. Lessie Mickle, Mr. and Mrs. Dewey Wilkes and Mr. and Mrs. Dick Brown, all of Elba, and Mr. and Mrs. W.G. Marler of Opp.

Cold Weather Costs Money!

If you like to SAVE MONEY, follow these heating - season guidelines from The Southeast Alabama Gas District

1. Be sure your Heating Equipment is operating properly - whether you burn gas, fuel oil, or electricity.
2. Arrange your Furniture to help warm air circulate easily, and keep all Heating Vents and Return Vents clean and unobstructed.
3. Keep a COOLER HOME this year than you did last year, and when you leave home for a day or more, set the thermostat down to 60 or below.
4. Be sure all Doors And Windows are Weather-Stripped, and keep them tightly closed.
5. Close off unused or seldom-used Rooms.
6. CHECK INSULATION! If yours is sub-standard, have it brought up to standard. Sub-standard insulation may cost you many dollars a month in wasted fuel; adequate insulation will pay for itself in a very few years.

EHS Wins Prep Bowl, To Compete With Slocomb

Having won in the second round of "Prep Bowl" competition, Elba High School will return to the campus of Troy State University soon to compete against Slocomb High School.

Team members for Elba High School are Kenneth Bryan, Leigh Ligtsey, Connie Carpenter and Geoffrey Parker. Jimmie Davis is the team captain.

The Prep Bowl is sponsored by Troy State and is filmed in the campus studio (WTSU-TV). Patterned after the GE "College Bowl" of the 1950's, the Prep Bowl gives students the opportunity to answer questions from mathematics, Eng-

lish, biology and other subjects studied in school. Each match is divided into three rounds. A correct response is awarded five points in the first round, 10 points in the second and 15 points in the final round. Most matches are close, with the victor usually decided in the third period.

Questions and answers are prepared by the TSU faculty. A faculty member is present in the studio to act as a judge should a questionable response be given.

Dr. Lou Deslisle of the TSU Department of Mathematics is the moderator.

ZC FHA
The Zion Chapel FHA Club really got into the spirit of Thanksgiving. Groceries and other items were donated by its members for the needy elderly people of our community. Cardboard boxes were decorated to carry the items. Thanksgiving cards were also included. The entire FHA Club got involved and several people were given Thanksgiving baskets. I would like to thank our FHA for its participation in making our Thanksgiving project a success. The Zion Chapel FHA wishes everyone a Happy Thanksgiving!

Before I comment on Brantley's 21-6 loss to Addison I'd like to recap my trip up to Addison with the Bulldog supporters.

A MOST ENJOYABLE DAY

Mike Capps and I have been covering Brantley through the playoffs, and when the Bulldogs dumped Notaula we decided that we'd ride to Addison on the chartered bus sponsored by the Brantley Quarterback Club. We requested to be seated near Brantley's lovely cheerleaders, but unfortunately they went up in cars. We next requested to be assigned to ride the student bus, but that too fell through! Anyway, we ended up on the bus with the parents, and decided there was little to do except nap on the 5-hour ride up to Addison. Boy were we wrong!

About 12:30 the food started being passed around, and between the fried chicken, ham sandwiches, brownies, and cakes there was enough food to feed an army. After lunch the main topic of discussion was the upcoming game. Most supporters felt that Brantley had an edge, but everyone knew that Addison would prove to be a strong foe. A few men made predictions, and all picks went to Brantley by 2 to 18 points.

The bus took a rest stop in Birmingham, and we celebrated Mr. Bryant's 39th birthday, complete with cake and singing.

The ride to Addison was very enjoyable, and after the game the fans were disappointed, but extremely proud of the accomplishments of their young men. The fans' spirit soon rose, and the long ride home was also most enjoyable. I've ridden many charter buses to football games, but I can honestly say I've never felt more at home than I did with the Brantley people on the ride to Addison. They treated me not as an outsider, but as a friend. You don't know how good it feels to get on a bus with a group of strangers and be immediately accepted as a good friend.

All I can say to the fine people of Brantley is "Thanks for allowing me to share in your football team's success, and for making me feel at home in your lovely town."

BULLDOGS FALL IN FINALS

Brantley's hopes for a state crown were dashed last week by Addison when the Bulldogs from "up north" dumped the men from "down south" 21-6.

I think the turning point in the game came when Addison scored in the final minutes of the half to go ahead 7-4. Until that point Brantley had totally dominated the game, and had the momentum swinging their way. The Addison score sent them in at halftime ahead, and they came out with the momentum in the second half. Had Brantley gone in at the half leading 6-0 I think they would have won the game. But, you never know!

One thing that caught my eye was the way the Brantley players never gave up. I feel that the Bulldog players felt they would win right up until the final play of the game. Brantley's players were trying just as hard on the game's final play as they were on the game's opening play.

The 1976 Brantley Bulldogs had a super team, and should consider themselves as champions because there is more to being a champion than just winning!

There is pride, sportsmanship, and leadership. Brantley's players possessed all these traits, and will always rate as "champions" in my book.

TIGER CAGERS FALL TO 3-3
Elba lost their second basketball game of the young season last week to Troy 60-47. The Tigers just couldn't put together against Troy, and were never in position to pull out the win. If the Tigers can regain their form, I'm still betting on them to challenge for the S.A.C. and Regional crowns.

New Hope Record Stands
At 5-1

The New Hope Junior High Wildcats suffered their second defeat of the season last Tuesday night, but rebounded with a win on Thursday to up their record to 5-1.

DAUPHIN 73 NEW HOPE 49

The Dauphin Jr. High Dolphins of Enterprise led all the way last Tuesday in defeating the New Hope Wildcats 73-49, in Enterprise.

The win ups Dauphin's chart to 5-0, while the loss was New Hope's first in five outings.

Dauphin came out in a pressing defense, and roared into a 22-8 first quarter lead. The Wildcats couldn't match the powerful Dolphins on the boards, and the taller Dauphin team took a 39-22 halftime bulge.

New Hope began to hold their own in the third period, and outscored Dauphin 17-10.

NEW HOPE 72 GOODMAN 68

New Hope, led by a 40-point outburst by Byron Foley, held off a fourth quarter rally to defeat Goodman 72-68, in Goodman.

New Hope got off to a slow start, and held a slim 14-10 lead after the first quarter. The Wildcats got hot in the second stanza, but couldn't pull away, and led 31-26 at the half.

New Hope's press caused numerous turnovers in the third quarter, and the Cats upped their lead to 54-38 with only one quarter left to play. The Cats got in foul trouble in the fourth quarter, and Goodman began a furious rally, only to fall short.

ELBA'S JAMES RAY DANIELS (40) REACHES HIGH TO GRAB A REBOUND IN THE TIGERS LOSS TO LUVERNE. DANIELS, A SENIOR SCORED 9 POINTS IN THE GAME.

Elba Falls To Luverne 48-42

The Elba Tigers saw their record dip to 3-3 Tuesday night when they were upset by Luverne 48-42.

Luverne, winning its third straight game, now owns a 3-2 record.

Elba came out with a "frigid" shooting touch, and hit only four (4) shots from the floor in 19 attempts in the opening period. After one quarter of play Luverne owned a 10-9 lead.

The Tigers began to get "warmed-up" in the second period and pulled into a 26-17 lead with 1:56 left in the half. Luverne rallied late in the quarter, but at halftime Elba clung to a 28-23 advantage.

Luverne began running a deliberate, patterned offense in the third quarter and moved into a 35-32 lead. Elba

went "ice cold" in the period, hitting only four points, within three points late in the game, but Luverne held on to claim the win 48-42.

Elba was led in scoring by Sylvester Goosby with 12 points, while Mike Jones, of Luverne, took game scoring honors with 15 points.

Fishing Tournaments

Set For Georgia

To open its \$600,000 "Bass for Cash" Tournament Trail in 1977, the National Bass Association announces two big bass fishing tournaments in the state of Georgia.

First is the \$50,000 GEORGIA NATIONAL, January 12-13 & 14, 1977, which will be held at West Point Lake, Highland Marina, La Grange, Georgia. Entry fees are \$250.00 limited to a 250 man field. The GEORGIA NATIONAL is open to all bassmen and will be the first "GOLD MEDALIST" national qualifying tournament of the year.

The bassman placing first will receive \$500.00 cash plus a boat and trailer. Payout is scaled from second place of \$400.00 through the 50th place amount of \$500.00. \$1000.00 is awarded to the bassman catching the largest bass during the 3-day tournament. Winners of West Point Lake are off-limits to GEORGIA NATIONAL contestants after December 30, 1976 until practice days are open on January 10 & 11, 1977.

Georgia tournament number two is a semi-pro event open to all fishermen. It will be the Semi-Pro \$10,000 LAKE SEMINOLE OPEN scheduled for January 21-22 & 23, 1977, at Jack Wingate's Lodge, Lake Seminole, Georgia. Entry fee is \$50.00 with a 200 man field. Cash awards plus trophies will be given to bassmen who finish in the first thirty places with \$2000.00 going to the winner.

Strict attention to NBA's conservation rules of "total live release," where all fish will be returned to the water, will apply in both contests.

For tournament registration information telephone AC 904-755-2404, or write NBA's executive offices at P.O. Drawer 2229, Lake City, Florida 32055.

Goodman Edges

Elba Jr. High 43-39

The Elba Jr. High Tigers opened their season last week by dropping a narrow 43-39 decision to Goodman.

Elba came out playing aggressive defense in the opening stanza, but failed to get their offense on track and the score was tied 6-6 after one quarter of play.

Goodman began to find the range in the second period, and took a 20-13 halftime lead.

The Tigers offense remained dormant in the third quarter, and Goodman pulled away to a 36-17 lead.

Elba finally got their offense in gear in the final stanza, and stunned Goodman by pulling into a 38-38 tie late in the game. However, Goodman scored two buckets to ice the win.

Elba (39): King 2, Williams 17, Hammonds 6, Johns 4, Davis 10.
Goodman (43): Rogers 2, Davis 8, Wilson 12, Thomas 15, Mack 2.

Elba 8th Graders

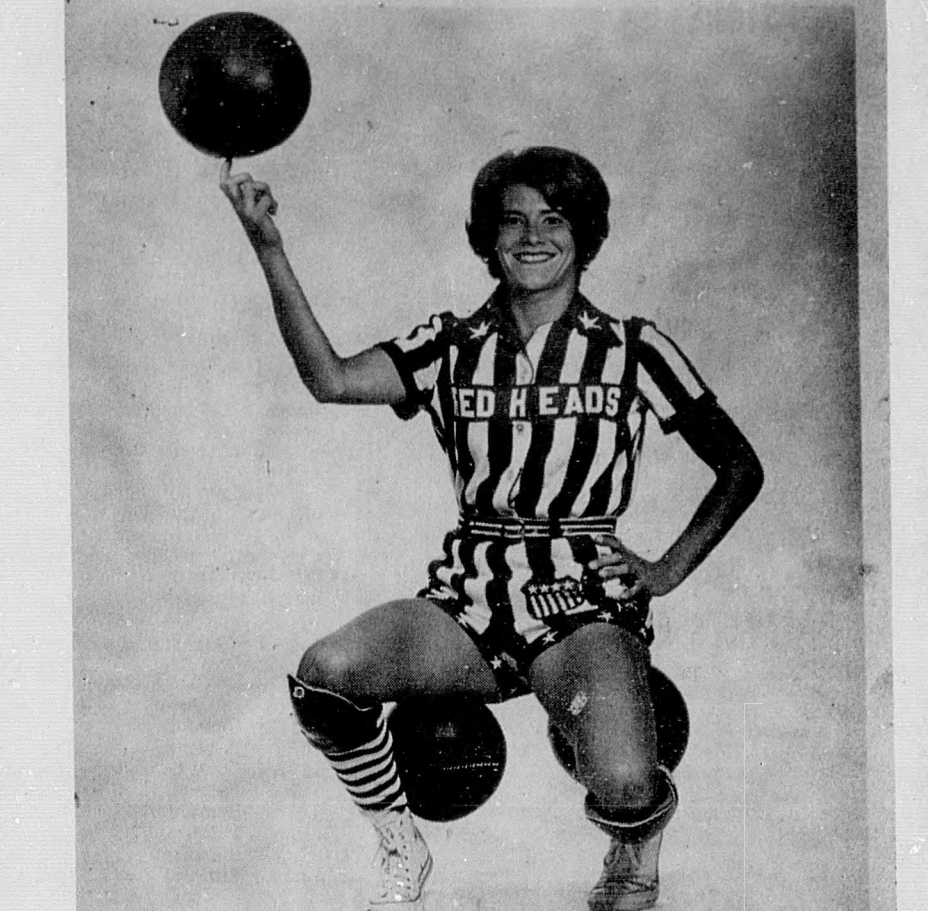

Win Over Goodman

The Elba 8th Graders opened their season last week by dumping the Goodman 8th grade team 28-22.

Scoring all of Elba's points were Troy Brown with 14, Chris English with 10, and Mason Morrow with 4.

E 8 2 10 8-28
G 6 2 8 8-22

Elba (28): English 10, Brown 14, Morrow 4.
Goodman (22): Addison 6, Shell 4, Purvis 6, Thomas 6.

THE "RED HEADS" ARE COMING

Those colorful, sensational, and very exciting "All American Red Heads" basketball team are slated to be in Elba on Monday, Dec. 27, at 8:00 p.m.

The Red Heads, Queens of big-time basketball and undisputed World Champion Women's basketball team will be appearing through the sponsorship of the Elba Lion's Club.

The Red Heads, a truly great basketball attraction, will meet the "infamous" Elba Coaches men's team. The coaches will be led by Mance "Double-Double" Daugherty, along with a couple of ex-E.H.S. students. Included

among the students is big Buddy King, 6-5, 265-pound center, who is famous for his shot-blocking and soaring "sky-hook." Others expected to lead the Elba challenge are Coaches Mac Champion, Sam Cooper, and Dale Crowe, along with David Smith, Mike Capps, and several other "has-beens of the hardcourt."

The Red Heads feature top girl talent found anywhere and "Living It Up On The Court" has been their trademark and "How They Play The Game" has become their way of life.

The All American Red Heads "Magic at the Gate"

makes this attraction great, and as always, the Red Heads are drawing them through the turnstiles in tremendous numbers throughout the nation. Rev. Ed Henne said that his organization was most pleased at being able to get this much sought-after attraction to appear in the Elba High School gym.

Be sure to come out and see the "Red Heads" meet the "Coaches" at Elba on Dec. 27 at 8:00 p.m. Advance tickets are \$2.00 (adults) and \$1.50 (students), while at the gate tickets will be \$2.50 (adults) and \$2.00 (students).

The Brantley Bulldogs saw their dreams of a Class A football championship vanish last Friday night when they fell to the powerful Addison Bulldogs 21-6, in Addison.

The win gave Class A champion Addison a final record of 14-0, while runner-up Brantley ended the season with an "outstanding" 13-1 record.

The temperature at kickoff was in the mid-20's, and a large crowd of Brantley fans were bunched up ready for their team to battle for the state title.

stopped two yards short of the first-down marker.

The Bulldogs took over, and promptly marched 72 yards in 11 plays to take the lead. Mitchell kept for four yards on the drive's initial play, followed by an 8-yard carry by Larry Dorsey.

Three running plays netted 6 yards, and on the fourth down and one play Mitchell sneaked for four yards and a first down. Mitchell and Dorsey swapped 4-yard gains, and when Clarence Sams blasted for 10 yards Brantley had the ball first down and 10 at the Addison 30-yardline. Dorsey swept to the 24, and following a one-yard pick-up by Sams, Dorsey burst up the middle for 23 yards and a touchdown. Dorsey was hit at the 15, but spun-away and twisted into the endzone. The p.a.t. failed, but with 6:58 left in the half Brantley owned a 6-0 lead.

Bulldog Clarence Sams (44) finds path blocked by Addison's Roger Meigs (63). Meigs led Addison to a 21-6 win over Brantley in the Class A title match.

Addison failed to move on their initial possession of the second half and was forced to punt. Brantley quickly drove into Addison territory, but Chris Godbee picked-off an errant Lester Mitchell pass and returned it to the Brantley 48-yardline.

Addison needed 8 plays to cover the distance, with the touchdown coming on a seven-yard run by All-State fullback Tyler Hayes. The p.a.t. was again true, making the score Addison 14, Brantley 6 with 11:56 left in the game.

Concern shows on face of Brantley coach Mike Sasser.

NEWS FROM KINSTON with SUE PATTERSON

Kinston Bulldogs Defeat Straughn

Kinston played a tough team, Straughn, on November 23, at Kinston. This was a very good game, full of excitement the entire time. It really kept the fans on the edge of their seats. It was a close game all the way. Only four points separated the scores at the half time. It was 30-26 in Kinston's favor.

However, Straughn came back strong. They ripped off 14 points very quickly to go ahead of Kinston by 10 points. But the Kinston Bulldogs decided to not a stop to some of that, so they came back to tie the game with 57-57 at the end. The game went into overtime, ending with 63-61 in Kinston's favor.

Phillip McKinney led the team with 21 rebounds and 14 points. Willie Joe Edwards scored 31 points for the Bulldogs. However, Phillip McKinney was probably the key player in Kinston's winning. He controlled the rebounds. Coach Kelly said the Bulldogs are still making a lot of mistakes, but they are getting better.

Churches Donate To Rescue Squad

On Thanksgiving all the churches in the Kinston area met at the Assembly of God Church. They gave an offering of \$37.00 to the Rescue Squad. The Rescue Squad wishes to thank everyone for the donation.

Company Enjoys Big Bar-B-Que

The Kinston Manufacturing Company held its annual bar-b-que for its employees on Wednesday, November 24. A large crowd enjoyed the lunch which consisted of barbecued pork and all the trimmings. The employees have enjoyed this treat for several years either at Thanksgiving or Christmas time.

The committee were: J. W. Henderson, Micky Weeks, Walter Hardy, Larry Lambert, Ronnie Reed and Sec. Thomas Donaldson.

Masonic Lodge #859 Met November 29

The Kinston Masonic Lodge No. 859 met on Tuesday, November 29. During this meeting they awarded Mr. Travis Powell a 50-year pin. It was the Alabama Grand Lodge Award of Gold for 50 years of service.

After a trip to the Powell home, the lodge members returned to the lodge for their meeting. At this time Mr. Hudson presented a certificate of achievement and a symbol for his brother, Travis Powell. Mr. Powell was confined to his bed, therefore a commission for the presentation. Those on the committee were: J. W. Henderson, Micky Weeks, Walter Hardy, Larry Lambert, Ronnie Reed and Sec. PTO Met And Discussed Poor Attendance

The monthly meeting of Kinston PTO was held on Thursday, December 2, at 7:00 in the library. Several of the teachers were present, however, only 12 parents attended.

The meeting was called to order by the president, John Parker. After a short welcome, Rev. Sweet from the First Baptist Church at Kinston, opened the meeting with prayer.

The meetings of the organization were discussed, with the main topic being the attendance. The attendance is so very poor, that the issue is an important topic for the club.

The organization also discussed the question of the playground for the elementary school. This is a project which the PTO plans to work within this year.

Mrs. Brett, a first-grade teacher, made a suggestion as to the purchase of a play dome and tunnel for the children. Also the issue of playground equipment was discussed.

Mrs. Amelia Rhodes made some suggestions for purchase of some P.E. equipment. The meeting was dismissed with plans to meet again on the first Thursday of January, at 7:00 in the Kinston School library.

The mayor and council met on Tuesday night. The main topic was on trying to get the town out of debt. Mayor Steve Hunk says the town still has a lot of outstanding debts to be paid.

As of this writing, the town has received no word on the proposed new recreation center for next year. If this comes into effect, it will not be school-connected. It will be coached by volunteers, and will be parent-supported, not school-supported.

On Friday they were called to Lowery to transfer Mrs. Myrtle Clark to the hospital in Opp. Mrs. Clark had been involved in a minor one-car accident. There was hardly any damage to the car, however, Mrs. Clark was hurt slightly.

Saturday, the squad was called to transfer Mrs. Eunna Moore from Lowery to the hospital in Opp. This was only a minor illness and Mrs. Moore was allowed to return home.

Also the Rescue Squad made a run to the home of Mr. Randolph Brooks on Rt. 1, Opp, to transport Mrs. Ethel Taylor, who had fallen to the hospital. The fall resulted in a broken arm for Mrs. Taylor.

On Sunday, December 4, at 4:10 a.m., the Kinston Fire Department received a call to Haco. The home of Frank Smith was affire. The house was almost completely gutted on the inside.

Kinston firemen helped the Samson Fire Department to fight this fire. No one was hurt in the fire.

Mrs. Fred Wood Honored

Because of her work in Coffee County over the past 20 years, Mrs. Fred Wood of Kinston is being honored as Coffee County's leadership award winner for 1976.

Dr. J. Michael Sprott, director of the Alabama Cooperative Extension Service, announced Mrs. Wood's selection. In making the choice, he noted that she has worked as a 4-H volunteer leader for five years, served in many leadership roles in home demonstration clubs and is an outstanding member in her community, church, and other club work.

Mrs. Wood, along with 16 other county leadership winners will be honored at the annual demonstration clubs and is an outstanding member in her community, church, and other club work.

The members of these clubs urge the parents to come out and support their school. Come out and tell the club how you feel about what they are trying to do. The children of the school need your support.

Also, this is an excellent time to talk with your child's teachers about the progress he is making in school.

The organization also discussed the question of the playground for the elementary school. This is a project which the PTO plans to work within this year.
